

EDUCATIONAL PARTNER PROGRAMME

ESPGHAN provides a variety of educational activities, events and information that are available through-out the year.

The educational programme of ESPGHAN has been implemented to ensure an on-going development and implementation of an up-to-date, independent, high quality educational programme for health care professionals.

If the pandemic does not allow for a responsible realization of onsite meetings, ESPGHAN is planning to turn the activities into to hybrid or virtual formats.

The remaining educational activities for 2021 are:

EPP Activity	Dates	Planned course format*
Endoscopy Train the Trainers Course	September 24, 2021	onsite
Eastern European Summer School	October 28–30, 2021	onsite
NITE Masterclass	October 14–16, 2021	virtual
EGID Monothematic Conference	November 04–06, 2021	onsite
Monothematic Conference on Pancreatitis	November 18–19, 2021	onsite
6 th IBD Masterclass	November 25–27, 2021	hybrid
Monothematic Conference on Juvenile sclerosing cholangitis	February 03–05, 2022	onsite

*ESPGHAN reserves the right to change the format if deemed necessary. Applicants will be informed in due time with an option to withdraw their registration.

Date: November 18 – 19, 2021

ESPGHAN MONOTHEMATIC CONFERENCE ON PANCREATITIS

NOVEMBER 18–19, 2021
GENVAL, BELGIUM

PROGRAMME

We sincerely thank the following **EPP partners** for their generous support and commitment:

ESPGHAN MONOTHEMATIC CONFERENCE ON PANCREATITIS

Over the last 10 years, criteria for diagnosing and management guidelines for paediatric pancreatitis has been developed to help both, clinician and researcher in their efforts to further study pancreatic diseases in children. This course aims at an audience of medical professionals who either wish to develop expertise or have a current interest in the diagnosis and management of pancreatitis in children. It will provide an update on epidemiology, pathogenesis, diagnosis, and current and future therapies of these disorders.

COVID-19 INFORMATION

COVID-19 has proven challenging in the organization of onsite courses in the past year.

ESPGHAN remains dedicated to the realization of our educational programme without compromising the health of our delegates.

As the number of participants is a critical part in the planning and realization of our schools, we encourage all interested HCPs to apply.

If the situation does not allow for the responsible realization of onsite participation, your application will be valid for virtual participation.

Registration fees will be reimbursed or adapted accordingly.

For more information, please contact the ESPGHAN Office

office@espghan.org
